

# SUPPORT OUR TROOPS

One of our own Registry family members, Corporal Cory J. Lacey, son of Carolyn Lacey is again serving overseas- this time in Afghanistan. To show our appreciation to Cory and his fellow Marines serving in Afghanistan, we are collecting items for a "Care Package" to send them. Please show your support by bringing in items on the list below by October 7th and placing them in the bins at our Plymouth, Brockton or Rockland office. The troops will receive them before the cold weather and holidays - Halloween (Cory's favorite) -Thanksgiving.and Christmas.(No glass items please)
